

March 8, 2023

To whom it may concern,

It is my pleasure to recommend Kevin Sturn to serve as Outagamie County Executive. Outagamie County desperately needs and deserves a strong leader who is present, and who is committed to the citizens and the employees. We need a leader who will continue to improve our county services, work hard to retain valued employees and prioritize partnerships with community leaders to do what is best for the community.

As Outagamie County Sheriff I had the pleasure of working with Kevin while he served as a County Board Supervisor and Chair of the Finance Committee. Kevin is very easy to communicate with and consistently makes well informed and educated decisions. He has a proven track record of being fiscally responsible and clearly shows he understands the daily operations of Outagamie County. Kevin is a responsible leader who truly values and cares about Outagamie County's residents and employees. Most importantly Kevin understands the County Executive position is not about politics, it's designed to be a management and leadership position. Numerous County Board Supervisors, County Leaders and Public Officials have endorsed Kevin because they trust in his abilities and truly believe Outagamie County deserves better leadership.

I have witnessed our current County Executive fail at a number of his duties, including the following:

- Providing no administrative leadership.
- Displaying a lack of supervision and direction for all county operating departments and programs.
- Not exercising administrative control of the county budget and having limited, if any participation in the county legislative process.
- Showing very limited attendance at county board and committee meetings in 2022.

I am confident, without reservation, Kevin would be an excellent County Executive if given the opportunity. Please do not hesitate to contact me if you have any questions or if you would like me to further elaborate on Kevin's talents and abilities.

Sincerely,

Outagamie County Sheriff  
Clint C. Kriewaldt
